

# Sprint 4 Report

## Agile Scrum Tracker

Actions to stop doing:

- Don't add interest to technical debt.(if can be helped)

Actions to start doing:

- Consider architecture
- Spend through time with code reviews, ie. definition of done.
- Think about code interactions and future use.
- Use context.

Actions to keep doing:

- Learning.
- Working well together.

All User Stories Completed.

### Burn-up
